*Inc. 5000, Non-Lawyer Immigration Services Company Plants Roots in Southern Nevada with \$1M Office Building and State-of-the Art Production Studio*

LAS VEGAS – [RapidVisa](#), the industry pioneer in online visa processing, is celebrating its 10th anniversary with the opening of a new Las Vegas headquarters. Since relocating to Las Vegas three years ago due to Nevada’s favorable document-preparation

industry regulations, RapidVisa has been leasing office space in the Chinatown area of Las Vegas. Committing to the Southern Nevada community, the 100% veteran owned company has invested nearly \$1 million in the purchase and renovation of a 3,500 square foot office, located at 8270 W. Charleston Blvd.

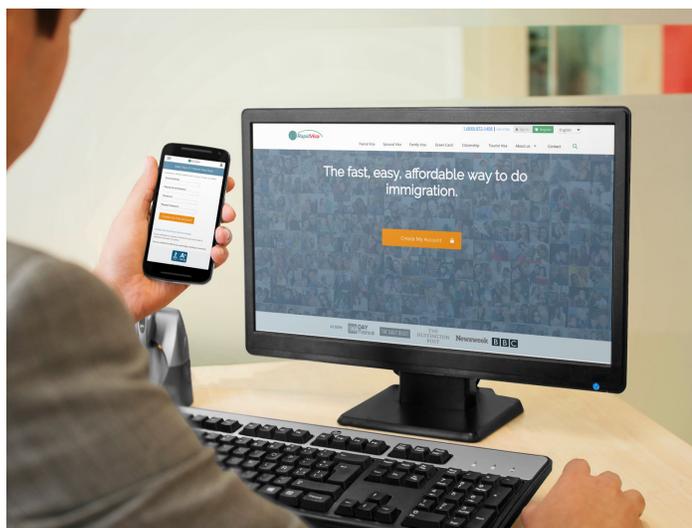

Acquiring the building in cash, RapidVisa remains a debt free business, allowing them to continue its competitive edge as the lowest cost immigrant visa processor in the industry. Positioning the company for future growth, the new facility contains a custom, state-of-the-art studio to produce the company’s popular, weekly social media series,
