NVC Case Number: [REDACTED]

Dear [REDACTED]:

The immigrant visa petition filed on behalf of [REDACTED] has become eligible for further processing at the National Visa Center (NVC). Our records show that the current address of the principal applicant is:

[REDACTED]

If this address is not correct, please send the correct address to the National Visa Center (NVC) immediately.

Before your petition can be processed **you must pay the Affidavit of Support (AOS) processing fee (\$88.00 USD)**. You should coordinate payment with your attorney of record if one has been registered for this case. An AOS fee invoice is also sent to any registered attorney. Do not pay the AOS fee twice.

To make the payment please go to the NVC website at [www.Visas.state.gov](http://www.Visas.state.gov) and follow the directions displayed.

**Important Notes:**

1. If the applicant intends to adjust status with the U.S. Citizenship and Immigration Services (USCIS), please contact the NVC before making any payments or taking further action.
2. If the NVC does not receive communication from any representative of an immigrant visa case for a period of one year the termination process begins. All documents and fees then expire and must be resubmitted to resume the immigration process.
3. Children who pass 21 years of age after the petition was originally approved by the USCIS become ineligible to accompany or later join the applicant(s) immigrating to the United States under the original petition. However, the Child Status Protection Act (CSPA) allows some children to remain eligible beyond 21 years of age. If you believe that the CSPA applies to this case, please send a detailed explanation to the NVC. We will forward it to the U.S. Embassy/Consulate General for a decision.

Sincerely,

Director  
National Visa Center  
U.S. Department of State
